The Coral Springs Multi-Cultural Advisory Committee in partnership with One Planet United present "A Silent Walk for Peace". We gather the first Saturday of every month and walk mindfully in silence for twenty minutes within the International Peace Garden. Join us for this inspirational journey towards a united planet, one step at a time...

Peace in our hearts brings peace to our families.
Peace in our families brings peace to our communities.
Peace in our communities brings peace to our nations.
Peace in our nations brings peace to the world.
Let there be peace on Earth, and let it begin with me.
